PRESIDENT'S MESSAGE ~ Ray Geiger

Yogi Berra said, "It's like deja-vu all over again". That's what it feels like as I assume the duties of President of Rods & Relics for the second time.

I want to thank the retiring board members Rich Ragan, and Ed Branco, for their service and dedication to our club .I also want to thank Rich for agreeing to chair both this years and next year's car show and Elna Ragan for being willing to write a monthly Rods & Relics article for the Sun Senior News.

I also want to welcome your new board members; John Cunningham our new VP and Renee Hidalgo, our secretary elect. I look forward to working with them along with our other board members. I am pleased that three of your board members are relatively new members. I want to stress that Rods & Relics can only continue to be successful with the support and dedication of each of our members. This is your club, your input and participation is needed.

April is when the car show season in Northern California gets into high gear. About once a month we participate in what we call a "feel good" show. These are shows we put on at senior care centers in the area. If you have not attended one of these events, I would like to encourage you to attend at least one this year. We usually get coffee and donuts in the morning and then lunch around noon, but the real benefit is the chance to help bring some joy to the residents and staff at the care centers. Ed McVey and the board members also pick one or two shows each month that we call "club promoted" shows. Generally, these are shows hosted by other car clubs. Our participation gives us a chance to promote our club and to socialize with our fellow club members.

Our Car Show chairmen, Rich Ragan and Mike Carvidi, are holding monthly meetings to ensure that everything is on schedule for our June 2nd Downtown Lincoln Classic Car Show. As announced at our March meeting, the VFW will not be participating in our show this year. We will still have our headquarters in front of the VFW Hall and the Boy Scouts will have their breakfast fundraiser at the hall.

Casa Roble High School Car Show ~ March 17th. 2018 ~ Ed McVey

Well, here it is St. Patrick's Day. It's 6:55 AM and I'm pulling into the Target Parking lot and all I see is one 1939 yellow Chevy street rod sitting there and I'm thinking, "What is ole Jim Turner doing here?" He isn't in the club any more. Then I remember, Jared Hawkins is the new owner and he joined our club a while back. So I pulled up besides him and he said, in a somewhat puzzled voice, he thought he might have come to the wrong Target because he thought there would be a lot of cars here waiting to head out to the car show. Boy was he wrong...64 of our 66 members decided to stay home, I understand it might have been a little too far for Kent to travel down from Lake Stevens, but gosh, how about the rest of you?

Oh well, we headed out about 7:15 to Casa Robles High School. As I pulled into the lot at 7:30, I thought, "wow", looks like we have a county of rainy day stay at home rodders. About 20 cars were in the parking lot and most of them looked like staff & organizers cars. So, I drove around for about ten minuets looking for that one special parking spot, the one that you just know for sure will get you a trophy. I learned this trick from ole Murrill. I pretty much had the lot to myself. I got parked and set up and registered. Turned out, I was the first to register, number 1. I thought this was the first time I've ever been number 1. This is for sure a good omen plus it's St. Patrick's Day. I can't miss, a trophy is surely mine.

The weather was clearing up, and you could see a little sunshine. Then in came the cars, about 220 in all. The only rain we had all day was a few drops about 1:30 for ten minuets. Really a shame, they put on a nice show and they were set up for a lot more cars, being they had 400 last year.

This show draws a variety of cars, a lot of low buck, patina, suede, rat rods and pick ups...around 30 pickups. Just what I didn't need, competition. Two pickups won awards, they must have had better parking spots then me. Then again, after I parked and staged my beautiful Studie, a couple of non-descript cars parked on each side of me. They stole the allure away from my fantastic Studie. I kid you not, what car guys won't do to win a trophy!

Downtown Lincoln Car Show Update ~ Rich Ragan, Car Show Co-Chair

On Tuesday, March 13, I attended the Special Events and Incidents (SEI) Committee Meeting. Committee members represent several City departments that support our event. It was a productive meeting and we have the full support of the City.

Pre-registration to date is 52 vehicles compared to 47 last year! We have 43 trophy sponsors. The major sponsors include one Platinum, six Gold, and four Silver. Ray Geiger and his crew are busy knocking on doors, sending E-mails, and returning telephone calls.

The VFW Post 3010 has stopped being a sponsor. Their logo and name have been removed from all our forms, posters, and related materials. However, the VFW Auxiliary, with Laree Quinn, Auxiliary President, will be responsible for the Raffle activity.

The next Car Show Committee Meeting will be Saturday, April 14.
