PRESIDENT'S MESSAGE

Chuck Barnhart

We had 11 people and 7 cars go to the Grand Island Mansion on Sunday the 21st. It was a great day for a ride along the river and a beautiful setting for lunch. The Mansion was built in 1917 for Louis Meyers and his wife Audrey, daughter of Lubin of the Weinstock department stores. If you were not one of us you missed a great time. We are doing these fun runs once a month, so try to join us next month for a great time.

Our club meeting on July 18th was a very important one as we discussed the future of the Lincoln car show for 2020. Members voiced their concerns about the aging club members and the loss of members this year due to health and other reasons. We are at a turning point for this club in regards of maintaining our 501(3)(c) status as a charity organization or just becoming a social club. We need new members to be able to support the car shows and we also need current members that have not been that active in supporting the car shows to step up and help. Without those two things we will not be able to support car shows in the future and this will be a big loss to our town and also the charities we support. We established a feasibility study team to look into our continued support for future car shows. This team is being led by Ralph Lacaze. If you have any ideas or suggestions on this subject please contact him.

RODS & RELICS CAR CLUB
GENERAL BUSINESS MEETING MINUTES
July 18, 2019
TURKEY CREEK GOLF COURSE – 1525 HIGHWAY 193, LINCOLN

PRESIDENT – CHUCK BARNHART - Chuck called the meeting to order at 6:15 PM, and welcomed everyone.

PLEDGE of ALLEGIANCE led by our Member at Large, Craig Kirkpatrick

SECRETARY'S REPORT – ED BRANCO – Ed asked for a motion to approve the June General Business Meeting Minutes located in the Newsletter on our web site. George Funk so moved and Chuck Barnhart seconded. Motion was approved.

TREASURER'S REPORT – GEORGE FUNK – George reported the July 15, 2019 Balance Sheet for both the Car Club account and the Car Show account.

30 Members have paid their dues and more Members are expected to pay soon.

The Board determined that each charity will be receiving \$5,500.

Contributions paid out since the start of our Club - \$164,071.

The Summer Party at the Sports Pavilion will be August 31.

A motion was made, seconded and approved for the cost per person to be \$10.00.

George asked for a motion to approve the Treasurer's Report. Ed McVey so moved and Dennis Malone seconded. Motion was approved.

VICE PRESIDENTS REPORT– None

MEMBERSHIP – MIKE CARVDI – Mike reported that we now have 30 paid Members and 3 more will sign in shortly.

First Meeting Prospective Member Zeth Lennard was present. Zeth has a 1969 Ford Mustang Fastback.

An updated Member Roster will be out shortly.

ACTIVITIES REPORT – LANDON SCHADEL – Landon was absent. Chuck Barnhart filled in on the following Car Show/Events:

Feel Good Shows:

July 18 – Auburn Oaks in Auburn (postponed)

July 21 – Grand Island Mansion, run

September 12 – ENGEO in Rockland (Jon Boland)

Please see Landon's Weekly Updates by email

MEMBER-AT LARGE – CRAIG KIRKPATRICK - Craig reported that he has been asking the members for suggestions, ideas or complaints for the last seven months with absolutely no responses. This has given the Board the false impression that everything is OK. But it is not! We have less than half the members renewing their membership, less than half the members attending meetings and participation in our car shows, feel good shows and other events is almost nonexistent. We also have an open board position and unfilled Car Show Chairmen positions. These positions have been filled by the same people from the beginning and it is time for some new volunteers. So please step up, we need your help! And if you do have any comments or suggestions, e-mail me and I will bring them to the Board.
